Here is a list of some of most popular and exciting programs:

Campfire program

Camp wide evening activity (Examples: movie night, ice cream social, game night)

Free swim at the pool

Fishing (bring your own tackle)

Programs – Dodge Ball, Trebuchet, Sling Shot, Monkey Bridge and much more

One of the things you will encounter during your stay at Boxwell Reservation is our warm and friendly staff. Yes, those lovable staff members: Ralphie, Jake, Jonathan, Jason, Jeff, John, Gaylon and Evan will be back! Our Staff members range in age from 15-70 and they want you to have the best experience possible; they begin in the winter preparing for your arrival in the summer.

Please be aware that each session of Cubworld is open to the first 285 participants (Youth, Adults, and Siblings) so, make your plans and mark your calendars for February 2011 as the opening of online registration. We have made the addition of another campsite allowing even more Scouts join in the fun. We hope this will give you a better understanding of what our reservation has to offer. Please contact us if you have any questions 615-463-6322 or [programassistant@mtcbsa.org](mailto:programassistant@mtcbsa.org).

# Boxwell Scout Reservation

Boxwell Reservation is located on Old Hickory Lake in Wilson County on State Highway 109, five miles south of Gallatin near LaGuardo, Tennessee. Its beautiful location features rolling hills with lots of great campsites and hiking trails. The surrounding waters are excellent for swimming, canoeing, fishing and other aquatic activities. For these reasons and because of its central location, it was well chosen to meet the needs of Scout units in the Middle Tennessee Council. In 1952, the original site was located on what would become Old Hickory Lake, then in 1957 the Middle Tennessee Council acquired, by special act of Congress, fee simple (\$1.00) title to 528 acres of land from the U.S. Army Corps of Engineers. Subsequent purchases brought its size up to 1,273 acres.

Actually, there have been four “Boxwells”: Linden, Tennessee (1921-29), Narrows of the Harpeth (1930-48), Rock Island (Charles E. Parish Wilderness Preserve near McMinnville) (1949-59), and the present one. In 1938, the Order of the Arrow’s Wa-Hi-Nasa Lodge #111 was founded at the Narrows of the Harpeth. In 1951, the South’s first Wood Badge course was offered at the Rock Island camp. Each “Boxwell” provided great outdoor experiences for boys and their adult leaders, and made its own contribution to the camping traditions of the Middle Tennessee Council. Today’s Boxwell Reservation on Old Hickory Lake reflected and accelerated the rapid growth of Scouting in Middle Tennessee. Many people worked hard to raise the funds and make the arrangements necessary to acquire and develop these camps. Boxwell Reservation is named for the late Mr. Leslie G. Boxwell, a distinguished Tennessean and Scouter.

In 1960, the first summer camp season at the present camp was held for hundreds of eagerly waiting Scouts. Nearly every kind of tree native to Tennessee can be found somewhere on the reservation, and animal life is plentiful. Some evidence exists to suggest that the ground beneath is honeycombed with caves, and it is believed that Indian and pioneer trails crossed it.

The camps within the reservation are named for other outstanding citizens and Scouters. The developed camps include Camp Stahlman, Camp Parnell, Camp Craig, Gaylord Cubworld and the Percy Dempsey Camporee Site. Camp Light, Explorer Island and Camp Beany Elam have been kept as wilderness sites. Boxwell Reservation is rich in tradition and widely considered one of the very best summer camp facilities in the United States.

Gaylord Cubworld was inaugurated on May 17, 1996. Cubworld is an awesome place where a boy’s imagination will soar. Cub Scouts, Webelos, parents and leaders can enjoy a weekend stay or just a day at Gaylord Cubworld. Participants can experience any one or all of the theme areas: Cub Fort, Native American Village, Cub-A-Lot Castle, Pirate Ships and the Olympic Village.

## ***Camperships for Resident Camp***

The Middle Tennessee Council offers Cub/Webelos Resident Camp Camperships for Scouts who would not be able to attend camp due to financial difficulties. Campership amounts will be granted based on the financial need of each applicant. Camperships are not transferable if the Scout cannot attend Resident Camp.

**\*Note:** A Cub/Webelos Resident Camp Registration must be completed in addition to the Campership form in order to reserve the Scout's space in the desired session of camp. Turning in a Campership Application without also registering the Scout will not guarantee the Scout a space at camp. All Scouts who submit a Resident Camp Campership Application should be prepared to pay the \$30 deposit. Scouting teaches a Scout to be thrifty. Full Campership is rarely given and only in extreme cases; Partial scholarships enable more boys the opportunity to attend Resident Camp.

Applications for these Camperships are available at the Middle Tennessee Council Scout Service Center, in the back of this guide and at [www.mtcbsa.org](http://www.mtcbsa.org). **These forms are due no later than April 9, 2012.** Leaders and parents will be notified by mail of Campership approvals in May 2012.

## *Deposits*

A \$30.00 Early Bird Deposit per Scout is due by **April 13, 2012** to reserve a participation slot **up to the first 285 registrants (youth and adult) per session**. Each Scout will receive a participation patch as part of their fee.

If a deposit has been paid, the remaining balance per Scout must be paid **BY**:

# Special Notes and General Information

## *Camp Leadership*

National Scouting policy requires two-deep leadership: Two registered adult leaders or one registered adult and a parent of a participating Scout, one of whom must be at least 21 years of age or older, are required for all trips and outings including resident camp. It is *not* required that each Scout have a parent/guardian attend for the Scout to attend. Cub and Webelos Resident Camp allows the following ratios of leadership to Scouts:

# of Scouts	# of Leaders Required
1-8	2
9-12	3
13-16	4
17 – 20	5

Each Pack/Den should provide the required adult leaders for the number of Cub Scouts attending camp. All adult leaders are responsible for the discipline and behavior of their Cub Scouts while at camp.

## *Letter to Employer*

If you like, the Middle Tennessee Council stands ready to send a letter to your employer or company telling them about your leadership at Resident Camp and the important role you have in the lives of the boys. You may request this letter by emailing [programassistant@mtcbsa.org](mailto:programassistant@mtcbsa.org). Please be sure to include the name and address of your employer along with a contact person.

## *Leader's Meetings*

The Leader's Orientation Meeting will be held at 4:00 p.m. on day of your arrival to review the schedule and plans while your group is at camp. There may also be other leader's meetings held at times to be announced at camp. Do not leave your Pack or Den unless you are sure that there is proper supervision. If you cannot make the meeting, send a representative. These meetings are to review any announcements and/or possible changes.

## *Trading Post*

The Cubworld Trading Post will be open during key hours of the day which will be posted outside the Trading Post. It is well stocked with Scout supplies, soft drinks, cold water, ice cream, snacks and fun items for the boys.

Most boys will find their way to the Trading Post several times during their stay at camp. We hope that our Trading Post will enhance your stay and make for a very enjoyable camp experience. We recommend that each Pack establish a banking system with an adult banker to help safeguard the money that the boys bring to camp. We also accept Visa, MasterCard, American Express and Discover.

## *Lost and Found*

Lost and found is located in the Cub World Dining Hall. Please ask the Program Director for assistance in the event of a lost item.

## *Visitors*

The closing campfire for each session is a great family event! We encourage all family members to visit Boxwell Scout Reservation at this time to spend the evening with their Scout(s). Dinner will be served for all registered campers. Any family member that desires to have dinner with a Scout **MUST** phone in a reservation to 383-9724 x265 or e-mail at [programassistant@mtcbsa.org](mailto:programassistant@mtcbsa.org). The \$7.00 fee for each visitor's meal is payable that evening at dinner.

**CUB Resident Camp:** Visitors need to arrive between 5:30-5:45 PM to have dinner with their Scout(s). Please check with your group's leader for actual meal time.

**WEBELOS Resident Camp:** Visitors need to arrive between 5:00-5:15 PM to have dinner with their Scout(s) assigned to Meal A or between 6:00 – 6:15 PM if their Scout(s) are assigned to Meal B. Please check with your Scout's group leader for actual meal time.

## *Meal Time*

Prior to each meal, campers assemble at the dining hall with seating arranged by campsite. A rest period follows lunch. Field Dress (Class A) Uniforms should be worn for all evening meals.

## *Leaving Camp*

NO ONE may leave camp property without first signing out. Please check with one of the Camp Directors or the Camp Commissioner for more details. A sign out/in sheet will be provided in the Cubworld Dining Hall.

## *Insurance*

Each Pack in the Middle Tennessee Council is covered by supplemental accident and sickness insurance. This will cover members while at camp as well as at other Scouting activities. Benefits are to cover deductibles or co-pays. Please submit a copy of your primary insurance card with a medical form for **each person** (Scout, adult and sibling) attending camp. If a boy is not covered under other insurance, please submit a signed statement from the parent stating this.

\*Note: The Middle Tennessee Council does NOT insure Packs visiting from outside the Council. These Packs must have insurance either through their Pack or through their home Council. Please send proof of insurance along with your initial Resident Camp registration.

## *General Cleanliness*

Let's be clean in everything we do. Hot showers are available for Scouts and Leaders. Help us keep camp, latrines and shower houses clean. Trash barrels are in each campsite and throughout camp. Please remember to leave camp cleaner than you found it.

## *Siblings*

A fee of \$30.00 is charged per Guest (Adults and Siblings.) Everyone attending **must** have a Parts A and B of the BSA medical form. A copy can be found in the forms section of this guide or at the Council website.

## ***Camp Planning Meeting – WEBELOS RESIDENT CAMP ONLY***

A Pre-Camp Leader's Meeting will be held on May 30, 2012 for adult leaders attending sessions 1-5 of **Webelos Resident Camp**. The meeting will start at 7:00 p.m. in the Jett Potter Service Center (Council Offices) in Nashville. It is important that a representative from each Pack attending camp come to this meeting; any changes/updates will be announced in this meeting.

### ***Pet Policy***

NO PETS ALLOWED IN CAMP, NO EXCEPTIONS!!!

### ***Resident Camp Staff Opportunities***

Positions are available on Boxwell Reservation's Resident Camp Staff for motivated Scouts and Scouters. Interested parties may pick up an application from the Support Services division at the Jett Potter Service Center or on the Council website [www.mtcbsa.org](http://www.mtcbsa.org) under the section Camp Forms.

### ***Dining Hall***

Meals are served in our indoor, air-conditioned facilities. The dining hall is set up to serve the number needed for each meal period. The maximum number allowed by the Fire Code will determine the number of tables and chairs allowed for each meal period.

#### **Procedure:**

- Each table will appoint 1 clean-up monitor team per meal (1 Scout & 1 Adult.)
- The table you sit at during your first meal will remain your table throughout camp.
- At serving time, Scouts will enter Dining Hall and take a seat at their assigned tables.
- After everyone has been seated, announcements will be made and grace will be said.
- After grace, the Dining Hall will be dismissed to line up for serving.
- Scouts will be allowed to refuse items and adults will be able to request additional portions as they walk through the line.
- Scout leaders will be asked to serve as monitors of the serving line. This monitor (Scout leader) will ensure that the Scouts are being served properly by the staff. Approximately 15 minutes prior to the end of the meal period, everyone will be encouraged to participate in a program (song or skit).
- Following the program, everyone will be dismissed except the table monitors.
- At this time the clean-up window will open and monitors may return trays and clean tables.
- Please do not take any items to the clean-up window until the window has been opened after the program.
- **Please DO NOT wear hats in the Dining Hall.**

### ***Camp Security***

An important aspect of youth protection at camp is controlling visitors in the camp. Scout uniforms are powerful validation symbols making anyone wearing one seem to be in the right place at a Scout camp. Unfortunately, almost anyone can obtain a uniform, whether or not they are registered members of BSA.

Everyone in attendance at the camp must wear identification that signifies legitimate participation in the camping program. Wristbands, such as those used in hospitals, will be Boxwell's method. The importance of wearing this identification will be stressed when the unit checks in. It is not necessary to explain the youth protection aspect of this identification beyond its signifying a properly registered participant in the camp program.

All visitors to the camp must stop at the camp office and sign in. A guest book for this purpose will be maintained and positive identification required. A special visitor name tag will be given that will easily identify the person as a legitimate visitor. Upon conclusion of their visit, guests will sign out so that camp administrators will know who is on camp property at all times. Any time a person is spotted in camp without either a visitor's nametag or camp participant wristband, that person should be escorted to the office to sign in (and so staff personnel may determine why that person is on camp property).

## ***Health and Safety***

Boxwell Scout Reservation takes the safety of each camper very seriously and pledges to see that they have a safe and enjoyable environment to pursue the great ideals of Scouting.

**NO** bicycles, scooters, skates, or skateboards are allowed in camp. **CLOSED-TOED SHOES (NO CROCS)** must be worn at all times especially when attending the BB and Archery Range.

A safe and enjoyable experience has always been the focus of the Boy Scouts. The camping experience at Boxwell Scout Reservation is no exception. In the event of an emergency, Boxwell has immediate response capability with a Wilson County Emergency Management team located only three (3) miles away. We also have Emergency Medical Technicians on the site at all times working out of the Health Lodge. They can be contacted by radio 24 hours a day. If needed, a medical doctor is on call 24 hours a day and makes weekly visits to camp. He is supported by the Sumner Regional Medical Center located only five (5) miles from Boxwell. This facility offers a full array of state of the art medical services. Emergency transportation by ambulance is only a radio call away and we have the facilities to land an emergency helicopter if necessary. The Wilson County Sheriff's Department makes random checks of our facility and stands ready to assist in the event of an emergency.

The Health & Safety Committee along with the Camping Committee desires to make our campers more aware of the concerns created by insects at Boxwell.

### ***Ticks***

All participants on day of arrival will be cautioned and directed as to the risk of tick borne disease, and the precautions and procedures to be followed. All imbedded ticks are to be removed by Health Lodge personnel and preserved in properly labeled specimen containers (any such incidences will be properly logged according to pre-existing procedures). All exposed persons will receive written information pertaining to the exposure and appropriate follow-up care. (For youth, the information will be provided to the responsible adult).

### ***Mosquitoes***

Mosquito bites can cause severe skin irritation through an allergic reaction to the mosquitoes' saliva – this is what causes the red bump and itching. But a more serious consequence of some mosquito bites may be transmission of certain diseases, such as the West Nile Virus.

### **What can I do to reduce my risk of being bitten?**

Each week before the start of camp, campsites are sprayed to reduce the number of mosquitoes and ticks present. Though mosquitoes are most active at dusk and dawn, it is advisable to use bug repellent at all times.

## ***Brown Recluse Spiders***

The Brown Recluse Spider is one of six poisonous kinds of spiders in the United States and are usually found in dark places. When outside, they can be found in piles of rocks, wood, or leaves.

Brown Recluse Spiders are soft-bodied, yellowish-tan to dark brown, about ¼ to ½ inch long and have long, delicate grayish to dark brown legs covered with short, dark hairs. The leg span is about the size of a half dollar. Distinguishing characteristics are the presence of three pairs of eyes arranged in a semicircle on the forepart of the head and a violin-shaped, dark marking immediately behind the semicircle of eyes.

### **How to avoid getting bitten?**

Be careful in areas where they like to spend time like rock and wood piles. Shake out clothing and shoes before dressing, and inspect bedding and towels before using.

### **Bite Symptoms**

The severity of a person's reaction to the bite depends on the amount of venom injected and individual sensitivity to it. Bite effects may be nothing at all, immediate or delayed. Some may not be aware of the bite for 2 to 8 hours, while others may feel a stinging sensation usually followed by intense pain if there is a severe reaction.

A small white blister usually rises at the bite site surrounded by a large congested and swollen area. The affected area enlarges, becomes enflamed and the tissue is hard to the touch. Wash the bite well with soap and water. Apply ice to the area, elevate it and keep it still.

## ***Follow the Rules of the Road***

### **Seek Immediate Medical Attention for Spider Bites and Bee/Wasp Stings!**

Avoid Accidents with insects and spiders:

#### **BEFORE REACHING INTO CONCEALED AREAS**

Be alert for spiders under logs, stones, benches and tables. Inspect clothing, shoes, bedding and latrines before use.

#### **YIELD TO BEES and Wasps**

Know that most beverages and foods attract bees/wasps. Always keep trash cans tightly covered.

#### **SPIDERS, WASPS AND BEES**

Avoid painful bites and stings; always give spiders, wasps, and bees the right-of-way. Report any spider, bee or wasp nests to adult leaders.

## *Vehicles in Camp*

**NO** RV's or Pop-up camp trailers allowed on the Reservation, no exceptions.

All parking must be confined to designated parking lots. No trailers will be allowed in campsites. Your camping equipment will be taken from the parking area to your campsite by our Cubworld Staff. Only camp vehicles and delivery trucks will be permitted beyond the parking areas. The speed limit is 24 miles per hour. No one under 18 will be allowed to drive on the reservation. Boxwell Scout Reservation takes the safety of each camper seriously and pledges to do the utmost to see that they have a safe and enjoyable environment to pursue the great ideals of Scouting. **It is PROHIBITED to drive a truck or trailer on camp property with youths or adults unrestrained in the back or on the sides. This means NO RIDING IN TRUCK BEDS!**

## **Volunteer for Adult Camp Staff**

Does your Pack have some extra adults who need something special to do at camp? Maybe you can provide some Volunteer Adult Camp Staff Members this summer. Talk to the adults who work with your Unit. See if anyone wants to teach their favorite skill at camp to boys from your Den/Pack and other Dens/Packs.

Please send an email to [programassistant@mtcbsa.org](mailto:programassistant@mtcbsa.org) with the following information: Name, Pack Number, Session attending, contact phone, email address and area they would like to teach/assist and we will inform the Program Director.

Adults from your group may also want to help out at camp in other ways. We always need help with plumbing and electrical work, carpentry, and other camp maintenance which may also contact us via email for these areas. If there are questions, we will get back in touch with you.

Remember that your Den/Pack needs at least one adult with your Scouts at all times. If someone from your Den/Pack volunteers to teach classes or do other work away from your campsite, you may need extra adults to make sure you have sufficient leaders at all times for your Den/Pack.

## ***Retreat***

Each evening the entire camp will assemble for flag lowering at the Dining Hall. Class A uniforms should be worn at flag lowering program. Only campers with complete Class A attire may participate in flag raising, lowering and retirement ceremonies.

# Resident Camp Check-In Procedure

***CUBS: Arrival on FRIDAY of Each Session***

***WEBELOS: Arrival on MONDAY of Each Session***

***Check-In.*** Check in time is between 11:00am and 1:00pm. on your arrival day. **DO NOT** arrive prior to 11:00am. Lunch will ***not*** be provided; the first meal is the evening meal. If you arrive after 1:00pm you will ***not*** be able to visit the pool for swim checks until after the evening meal at 6:15pm. This is due to the fact that the pool staff has Boy Scout Merit Badge Classes each afternoon.

Packs are assigned campsites and activity groups at check-in. If part of a Pack arrives later the same day or the following day they may be assigned to different campsites and different activities.

***Report to Camp Check-In Table***

# Advancements and Activities for Webelos Resident Camp

## *First Year Webelos*

First year Webelos will be given the opportunity to work on up to four (4) activity badges as well as enjoy all of the usual fun of camp. Activity Badge classes will be chosen onsite the first day of camp. These include: Aquanaut, Forester/Naturalist, Geologist, Outdoorsman, Handyman, Scientist, Engineer, Readyman and Sportsman as well as BB and Archery. If your Scout(s) has already earned the activity awards being offered, or just feels like doing something different, they can sign up to do the Boy Scout Skills Round Robin Sessions. Boys will have to choose to do either the activity badges or Boy Scout Skills; **they will not be able to do both and will not be able to switch back and forth.**

## *Second Year Webelos*

Second year Webelos have an option to choose to participate in the Boy Scout Skills Round Robin Program. There will be four, 2 hour sessions offered. Session 1 will cover Fire Starting and Cooking; Session 2 will cover First Aid; Session 3 will cover Knots and Lashings; and Session 4 will cover Land Navigation skills. On Tuesday a tour of the Boy Scout Camp at Camp Stahlman will be conducted. These sessions will be signed up for as a block. **Please note, when you sign up for camp you will be asked to pre-register for the Scout Skills program.**

These skills will be led by Boy Scouts with Boy Scouting fun in mind for your Webelos. There will also be games to challenge and entertain them, as well as swimming and shooting. It's a great program you don't want your boys to miss!

## Cub Scout & Webelos Resident Camp

Online registration available at <http://www.mtcbsa.org>

## *Swimming at Resident Camp*

One of the major challenges for the staff of Resident Camp is the swim classification process. As you may know, or have heard, this process causes a major backup on check-in day. We are going to allow the Cubmaster or Webelos Leader to conduct a pre-camp swim classification following the guidelines provided below. Also, Scouts may attend a swim classification with the Troop with which they are associated.

### *Swim Classification Procedures*

The swim classification of individuals participating in a Boy Scouts of America activity is a key element in our Safe Swim Defense and Safety Afloat. The swim classification tests should be renewed annually, preferably at the beginning of each outdoor season. Traditionally, the swim classification test has only been conducted at a long-term summer camp. However, there is no restriction that this has to be the only place the test is conducted. It may be more useful to conduct the swim classification prior to a unit going to summer camp.

**If your Pack/Den does a swim check prior to arrival at camp, you still need to report to the pool upon arrival in order to have your paperwork checked by a Boxwell Lifeguard and to receive your armbands & buddy tags.**

All persons participating in BSA aquatics are classified according to swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the circumstances in which the individual will be in the water. The Swimmer's Test demonstrates the minimum level of swimming ability for recreational and instructional activity in a confined body of water with a maximum 12-foot depth and with shallow water footing or a pool or pier edge always within 25 feet of the swimmer. The various components of each test evaluate the several skills essential to the minimum level of swimming ability. Each step of the test is important and should be followed as listed below:

**Swimmer's Test:** Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breast stroke, trudgen or crawl; then swim 25 yards using an easy resting back stroke. The 100 yards must be swam continuously and include at least one sharp turn. After completing the swim, rest by floating.

**Beginner's Test:** Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

Once the swim classification has been conducted, complete the Unit Swim Classification Record (located in the Forms Section of this guide) and bring to camp. If you are unable to conduct a pre-camp swim classification, don't hesitate coming to camp. We will conduct swim classification at camp and all Webelos will have the opportunity to take Aquanaut or participate in free swim. **Swim checks can be conducted by Aquatics Instructor Boy Scouts of America, Aquatics Supervisor, Boy Scouts of America Lifeguard, or American Red Cross Water Safety Instructor.**

# Pack Swim Classification Record

This is the individual's swim classification as of this date. Any change in status after this date i.e., non-swimmer to beginner or beginner to swimmer, would require a reclassification test by the Camp Aquatics Director.

**SPECIAL NOTE:** When swim tests are conducted away from camp or at the point of activity, the Aquatics Director shall at all times reserve the authority to review or retest all participants to assure that standards have been maintained.

## Frequently Asked Questions, continued

### 7. How do I know what activities to sign the boys up for?

First Year Webelos will be given the opportunity during their program time, to work on up to 4 activity badges, as well as enjoy all of the usual fun of swimming, archery, and BB's. Scouts may sign up for class onsite after arriving at camp.

Second Year Webelos can also participate in the Boy Scout Skills Round Robin Program. Their session will be thematically arranged so that on each day of programming they will sample sets of Scout Skills in a "show and do" format. Second Year Webelos may also choose to do individual activity badges instead of the Boy Scout Skills Round Robin Program. **Note that when they choose the Boy Scout Skills Round Robin Program they CANNOT also do the first year activity badges. Scout Skills must be pre-registered at the time the Scout is registered for camp.**

Cub Scouts will sign up for activities after arriving at camp.

### 8. Does my entire Pack/Den need to arrive at the same time?

Packs are assigned to camp sites and activity groups by who is present at check-in. **If you want to camp together, you should check-in together.** This will help keep activity size consistent. If part of the Pack/Den arrives the next day, they may be assigned to different campsites and different activity groups.

### 9. What do I do with the medical form?

**Hang on to it and make copies.** You will need to present a completed medical form for each Scout, and Guest (Adults and Siblings) when you check in at camp. You cannot stay on Boxwell Reservation without a current and complete medical form. Any medical forms mailed to the Scout Office will be returned to you.
