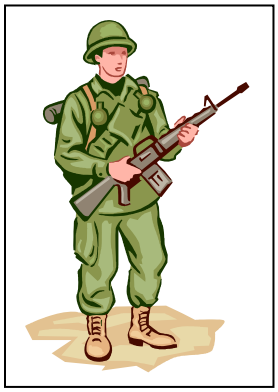
Are you a war veteran?



The Emotion and Anxiety Research Lab at Vanderbilt University is looking for soldiers who have been in combat during their time at war.

- **Purpose:** to understand how emotions influence the way attention is directed
- **Duration:** **2** hours and **30** minutes
- **Tasks:** fill out some questionnaires on a computer; complete 3 visual tasks
- **Eligibility Criteria:**
  - War veteran
  - Male or Female
  - Ages 25-50
  - No personal or family history of mental health diagnoses

You will be compensated **$50.00** for participating

If you are interested in participating and would like to know if you are eligible, please call our office at (615) 343-5476 or email Sarah Bilsky at sarah.a.bilsky@vanderbilt.edu.

Note: Eligibility will be further determined upon contact.
