A Fun Cross Country Adventure Race for 2

Flying Colors Sports is proud to present the **GREAT AMAZING RACE** to build healthier and more active families! Touring all 30 NFL cities in 2012, we are committed to providing kids with opportunities to experience the thrill of running in a fun and exciting atmosphere. The top 25 teams and 5 grade division teams qualify for the **National Championship Race and a chance to win \$2,000!**

The race is a fun and memory-making activity for adults (parents & grandparents) to do with a kid. From start to finish, it's the most invigorating outdoor activity for families to do together, ever! Whether you run, jog, walk or watch, it'll be an experience you will never forget! This is a great activity for parent-child and grandparent-child teams!

Patterned after the popular television show The Amazing Race, teams race around a 1 mile cross country course that includes up to 8 fun-filled stations that include tasks such as games, relays, obstacle course and more. The team that completes the tasks and reaches the finish line with the fastest overall time is declared the winner. Contestants should be prepared to get a little dirty and wet - it's part of the fun!
