GENERAL INFORMATION

Introduction – In celebration of the Middle Tennessee Council's 100th Anniversary, MTC is hosting 3 area Camporees spread out geographically throughout the Council. Welcome to the Boxwell Reservation for the Viking Warrior Challenge. Don Ingram and his leadership team is supported from five surrounding districts; Cherokee, Hermitage, Warioto, Upper Cumberland, and Walton Trail.

MESSAGE FROM THE CAMPOREE CHAIRMAN

I would like to welcome everyone to the 2020 One Hundred Years of Volunteers of Scouting in the Middle Tennessee Council. Volunteers from across your Council are coming together at Boxwell Scout Reservation to enjoy, The Viking Warrior Challenge, and to enjoy a weekend of Scouting fun with our boys and girls. We have planned many games and patrol competitions and days of fellowship. This was our goal.

We also have plans for some Scoutmaster events. One thing I have learned in my 35 years of Scouting, scouts remember, whether they are 17 or 30 when asked at the Eagle Review Board, is the fun he or she had at a Camporee or Jamboree. We have made this fun and as educational. Over 40 Scout Leaders and Volunteers have come together over the past year to prepare this event, and may I say Thank You.

Don Ingram

2020 Middle TN Council 100th Anniversary Camporee Leader's Guide

Boxwell Reservation

"Viking Warrior Challenge"

May 1-3, 2020

Important Information

When: May 1- 3, 2020

Where: Camp Light & Camp Craig; Boxwell Reservation

Cost: \$20 for each Scouts BSA, Sea Scouts, Venture Crew youth, Adult Leaders, Parents and Camporee Staff for Early Bird Registration. \$30 after April 3, 2020.

Who: Scouts BSA, Sea Scouts, Venturing Scouts, and Registered Leaders & Parents. No Cub Scouts or Siblings.

Register by: Early Bird Deadline April 3, 2020. Registration Closes April 29th @ Noon

Health Forms: Everyone that attends the camporee must have Parts A and B of the Annual BSA Health and Medical Form. All injuries must be reported to the First Aid Station at Camporee Headquarters.

<http://www.scouting.org/scoutsource/healthandsafety/ahmr.aspx>.

Registration & Costs

Registration information is available now on the Council's website (www.mtcbsa.org)

Introduction to Leave No Trace

Leave No Trace is a comprehensive approach to living and behaving in the outdoors, which encompasses not just camping, but also hiking, backpacking, and even just going to the park for an afternoon. The Camporee will follow the seven principles of the Leave No Trace code. These principles are:

- Plan Ahead and Prepare
- Travel and Camp on Durable Surfaces
- Dispose of Waste Properly
- Leave What You Find
- Minimize Campfire Impacts
- Respect Wildlife
- Be Considerate of Other Visitors

Apply these principles as you enjoy your weekend at the Boxwell Reservation – pack out what you carry in, stay on trails, **use your burn barrels or those supplied**, and respect others around you in the park and in camp. The Camporee will collect recyclable materials in lieu of making them trash in order to promote sustainability. *We will collect plastic, aluminum, metal can, and glass.*

Further information on Leave No Trace can be found in the Scout Handbook, at the BSA website (www.scouting.org), and at the Leave No Trace website (www.LNT.org).

The Outdoor Code

As an American, I will do my best to –
Be clean in my outdoor manners.
Be careful with fire.
Be considerate in the outdoors.
Be conservation minded.

Arrival & Check-in

Scouting units may arrive between 3:00 PM and 9:45 PM on Friday, May 1st. Units must check in with Camporee HQ to complete registration and receive campsite assignments. Campsites will be pre-assigned by the staff based on pre-registration numbers.

As you come onto the Boxwell Reservation and Camp Light, you will be met near the entrance by members of the Camp staff (Red Baseball Hats). They will direct you and provide you with parking slips to place on your vehicles' dashboards. After driving into the camping area, have your SM or other designated leader check-in at the registration table at Camp HQ. Please wait until your unit has received its check-in packet before proceeding to your campsite.

After check-in, you will be allowed to drive one or two vehicles to the drop off point to unload equipment. Units will be able to stage a Troop trailer in the camping site. All vehicles must be parked in the parking lots as soon as equipment is unloaded. Units must set their camps up within their assigned area.

Check-in will include verifying the following information:

- **Final Registration Payments Made** – Before coming to the camporee, please make your Camporee payments at the Council Service Center's doubleknot online registration.
- **Medical Forms for Each Youth & Adult** – Part A & B medical forms must be brought to Camporee and be available for inspection at check-in, but they are to be kept in the leaders' care in case of emergency. If medically necessary, the camp staff may also request forms from the unit leader. No copies are required.
- **Completed Unit Roster** – The roster will help us account for youth and adults alike in case of an emergency.

Parking

Parking will be allowed in designated areas only. You may drive to your campsite for unloading and loading unit gear only. You must then move your vehicle to the designated parking area. This is a modified tailgate campout so please pack accordingly. Roads must remain open at all times to allow access by emergency vehicles. A troop trailer can be parked in the campsites. All other vehicles must display a parking pass on their dashboard that will be issued upon arrival at Camporee.

No RV's (motorhomes, camping trailers, or campers) are allowed. Please carpool to conserve parking.

Each unit may be requested to provide one or two volunteers to support parking/facilities for a 2 – 3 hour shift on Friday evening. "Many hands make for light work." If more folks step up, we can have shorter shifts.

The Camporee Director will coordinate initial assignments for all volunteers. The Camp Director's contact information can be found in the Camporee *Management* section.

Campsites

Campsites will be pre-assigned by the staff based on unit's pre-registration numbers. Be sure to keep your site well organized and clean. Remember that other units will be camping next to or near your site, so please be sure to respect their space and please keep in mind the designated quiet hours. Scouts BSA units may camp together if the units are linked by the same Charter Organization. Unit campsites should be maintained in good taste and in accordance with BSA guidelines. Individual units are responsible for all of their camping equipment and supplies. Generators will not be allowed in campsites. Each campsite should display the US and Unit Flags but is not mandatory.

Check-out & Departure

Check-out time is after Sunday morning Scouts Own Service; however, no later than 12:00pm. Units should do a garbage sweep before they are ready for their final campsite inspection; remember to leave your site cleaner than you found it. A Camporee Staff member must inspect all campsites before the site can be vacated. The Camporee evaluation form must be turned in before a Staff member will inspect your campsite. Check-out will include the following procedures:

- **Final Campsite Inspection** – Send your SM or other designated Leader to Camp HQ with completed Camporee evaluation form. A Camporee staff member will be sent to your campsite for a final inspection. Your unit must wait at your campsite until after the staff member has ensured that all of your gear is packed up and the campsite has been patrolled for trash.
- **Evaluation Forms** – Both the youth and adult leader Camporee forms must be filled out, completed, and ready to be turned in during check-out. By providing your feedback, you ensure that Camporee can be improved upon.

Unscheduled Arrivals & Departures

Anyone arriving at or departing from Camporee, at any time during the course of the weekend, must sign in and out at Camp HQ. We need to be aware of any changes in attendance for all adults and youth at Camporee in the event of an emergency.

Mandatory Leader Meeting Friday Night

After check-in, each unit will be expected to set up their campsite. At 10:00 PM there will be a mandatory leader meeting for SM and their designated Assistant Leaders at the Camp HQ. At this time, units will receive pertinent information for the weekend's events. Special bulletins regarding changes to the program or schedule will be provided if need be. Staff will answer any and all questions and resolve any issues. If additional staffing assistance is required, units may be asked to volunteer.

Scheduling Note

All competition events are held on Saturday, concluding with a Campfire. Check-out will be Sunday morning following interfaith services at the Flag Parade Grounds (weather dependent). All units are requested to attend Interfaith Services but it is not mandatory. No units may depart until after their campsite has been inspected and cleared to leave. If a unit needs to leave prior to Sunday morning, they will need to have their campsite ready for inspection immediately following dinner and have their Camporee evaluation forms complete as well.

Camporee Evaluations

Each unit is asked to turn in a completed evaluation form upon check-out on Sunday, prior to departure. These evaluations are essential for us to create an ever improving event. If you feel some major changes need to be made to Camporee or if you want to praise a specific staff member, please include it in your evaluation. See Page

Cracker Barrel

Cracker Barrel will be provided on Friday night for all SM and their Adult Leaders, SPL's, and OA members in the Camp HQ following the Mandatory Leaders Meeting Friday Night. Saturday night's Cracker Barrel will follow the Campfire.

Camporee Staff

The Multi-District Camporee staff (Red Baseball Hats) are ***volunteers*** from throughout the Council. They have donated a great deal of time and effort to make this a successful event. They are ready to answer any questions and are interested in suggestions for ways to improve Camporee. Additionally, the volunteer staff will make every attempt to be fair and reasonable in all activities.

Our goal is to make it as much fun as possible for all participants. Your consideration and cooperation is appreciated when it becomes necessary for a staff member to take action or make a command decision.

Camporee Patches

Each registered Scout and Adult Leader will receive a 100th Anniversary Viking Warrior Challenge Patch at the end of the weekend. Additional patches may be available while supplies last for \$3.00 at the Trading Post.

Campsite Location & Sizes

Each unit will have a designated area staked out and marked. Please remember neighboring units when setting up your sites. Be neighborly, and use only the space you need. If there are space conflicts that cannot be amicably resolved, contact members of the Camporee Director through HQ. Campsite sizes will be determined by the amount of participants pre-registered.

Camporee HQ

Camporee Headquarters (HQ) will be located adjacent to the Registration Area. See Map. HQ will be staffed with Hours Posted on the HQ entry way. Emergency Contact Numbers will be posted during off hours. If you need to contact a member of the staff, go to the Camp HQ for assistance.

Changes & Event Cancellation Policy

The Camporee Director & their Staff are the only individuals authorized to change or cancel a scheduled activity. Any necessary changes will be made at the earliest possible time and posted in writing at the Camp HQ. If you have a question about the program, please feel free to come to HQ at any time or ask a staff member. In the unlikely event Camporee must be cancelled ahead of time, an email notification will go out to all persons who made an online reservation as well as to the SM general distribution list. A notification will go out approximately noon on Friday, May 1st. If the event is cancelled, refunds will be given. Otherwise, individual cancellations will be handle on a case by case basis with a physician's note. Contact the MTC scout office.

Lost & Found

Items found are to be turned in at Camp HQ. Lost items may be claimed at HQ. Items not claimed by the conclusion of Camporee will be sent to the Nashville Scout Office. (Hint: Label your belongings!)

Uniforms & Dress Code

Full Scout uniforms (Class A) are to be worn at campfire, and chapel. Activity uniforms (Class B) consisting of unit t-shirt or other appropriate attire may be worn at all other times.

Tents

Remember low impact camping techniques. Tent ditching or trenching is not allowed.

Flags

Troop Flags are to remain as part of your campsite entrance.

Special Accommodations

Arrangement for individuals with special needs must be made with the Camporee Director prior to arrival. No electricity will be available at the camporee.

Trading Post

An assortment of 100th Anniversary apparel, neckerchief, Council Strips, hats plus drinks and snacks may be purchased during the Trading Post's posted hours. Hours will be posted daily at the Trading Post.

Camporee Staff Management

Principal Camporee Staff members are listed below. You can reach them during evening hours. Email addresses may be provided upon request. Please remember, when contacting these individuals, that they are all volunteers just like you.

Camporee Staff

For questions, please contact the appropriate staff member. These individuals can be contacted at the camporee headquarters.

Spring Camporee – Viking Warrior Challenge

Camporee Director –	Don Ingram	(615) 957-5253
Program Chair-	Steve Lindsey	(615) 838-0323

Camporee 100 th Anniversary Chair	Bob Van Cleave	(615) 417-0326
Camporee MTC Staff Advisor	Jason Flannery	(615) 294-0865

Order of the Arrow

Call outs will be conducted at the Saturday night campfire.

HEALTH & SAFETY

Emergency Information

In the event of any emergency that endangers the camp, we will blow 3 blasts on an air horn. Upon hearing this warning sound, drop everything immediately and gather your unit at the Flag Pole area. Take a head count and ensure no one is missing. Just as with any emergency, please maintain a walking speed and keep a cool head. If you hear the emergency signal of three blasts, you need to assume it is a real emergency. Lightning event within the Camporee grounds will also sound a warning sound of 3 blasts.

First Aid

Report any acute medical conditions to the staff upon arrival. Those persons with diabetes or allergies must provide their own emergency kits, and be prepared with proper medication. Units need to provide their own first aid and supplies. Be prepared.

Medical Forms & Medications

Every scout and adult attending Camporee must be covered by Parts A & B of the BSA medical form. Unit leaders must bring copies of the unit medical forms to Camp. Medications **MUST** be kept with unit leadership in a safe location. Also, any medications requiring refrigeration (i.e. insulin) must be stored with the unit. It is preferred that units keep their medical forms in an organized binder. Unit leaders will bring the medical forms to the first aid tent in the event of an emergency.

The Guide to Safe Scouting requires all participants must complete Part A and Part B of the medical form. All participants include parents, youth, staff and unit leaders. Part C is only for activities lasting longer than 72 hours.

Activity Consent Form

Every youth under 21 years of age must have Part A: Informed Consent, Release Agreement and Authorization of the Medical Form signed by parents/ guardians, giving permission to participate at the event and for any medical treatments, hospitalization, etc.

Scout Insurance

Scout units should keep in mind that only those registered scouts and adult leaders are covered by the BSA insurance policy. The role of the Scout leader is to provide a safe and quality program for the scouts. Any non registered parents in attendance are the responsible for themselves.

Weather & Lightning

Remember the Scout Motto: Be Prepared. Both scouts and adults should pack and prepare to come and participate at Camporee, rain or shine. The weather at this time of year can be unpredictable, so BE PREPARED! Bring tents, ponchos, pack covers, dining flies, ground cloths, and necessary clothing to be comfortable because of rain, since all units are expected to have trained members in inclement weather camping procedures. Refer to Emergency Information on Page 13 for Lightning.

Safety

Safety of all Scouts and parents is the first objective of this Camporee. All Scouts are expected to stop and refrain from unsafe activities and horseplay. Violence will result in being asked to leave the event. The following rules are to be strictly observed:

- Scout Leaders are expected to provide all supervision of the scouts in their unit.
- The Buddy System is required at all times.
- While the activity sessions are in progress, no Scouts will be allowed in the campsite areas unless for medical reasons. Scouts found in the campsites without proper adult supervision will be asked to be closely supervised by the leader(s) for their remaining time at Camporee.
- No liquid fuel lanterns will be allowed outside the campsite. Scouts should carry a flashlight rather than a Coleman (or like) lantern.
- NO flames inside tents!
- Campfires must be raised at least 6 inches off the ground.

If you are unsure of specific policies and guidelines for safety in Scouting, please refer to the *Guide to Safe Scouting* and the *Sweet Sixteen of BSA Safety*. These guides can be found at www.scouting.org

Discipline & Use of Electronics

Leaders will be responsible for the supervision of their units at all times, and will be accountable for their behavior. Adult leaders, who are not helping in the events or watching unit sites, should observe from a distance when watching their youth participating in the events; coaching and guiding is not allowed during competitions.

Scouts should leave all cell-phones, radios, televisions, portable game devices, iPods, iPads, and like electronics at home. Electronic or GPS devices, even if incorporated into watches, cell phones, iPods, or any other such electronics is not permitted on the competition field, or at the Adult competitions. If a youth requires an electronic device for health reasons, it needs to be approved by the Camp staff beforehand, in advance of being at any competitive event. Loss or damage of property is the sole responsibility of the person who brought it.

Quiet Hours

All activities will be subject to quiet hours and lights out from 11:00 PM until 6:00 AM each day. Leaders in each unit are responsible for enforcing these hours. A Scout is Courteous. After taps, every Scout is expected to be in his tent and quiet at that time. If you must move about in your own area after taps, do so quietly so that others are not disturbed. Roaming about the campgrounds or other campsites will not be tolerated.

Respecting Other Units' Campsites

Everyone should respect other units' campsites. Please do not cross through another unit's site. Go around, instead. While we encourage Scouts to visit other units, please announce your arrival with a loud "hello" instead of just walking straight into a site. Show others the level of courtesy that you would like to be shown.

Sanitation & Bathrooms

Please respect the gender designation of the facilities. Please respect them and keep them clean. Do not place trash or soft drink cans in the toilets. All units share in the responsibility of keeping the facilities clean and in working order. Please inform the Camp staff of any problems immediately, so we can correct it before it becomes a major problem for all. It is a good idea to bring a few rolls of toilet paper with your unit and have campers take one with them to the toilets, just in case. Note that there will not be dishwashing facilities available at the Camporee. No Showers are available.

Cooking

Liquid fuel and propane stoves may be used in accordance with the BSA policy. Propane is the preferred fuel. SM are to follow BSA liquid fuel storage and stove lighting policies. It is up to the individual units to bring their own cooking stoves, pots and pans, dutch ovens, utensils, cleaning or other cooking equipment. All units will cook in their own campsite. It is strongly suggested that time constraints of the Camporee schedule should be kept in mind when planning meals. Time for cooking and cleaning must be at a minimum for the sake of the number of activities that are taking place. It is recommended that a quick, no-cook lunch be chosen for Saturday.

Fires

Campfires will be allowed in camp, provided there is at least 6 inches of clearance between the bottom of the fire pan and the ground. Camporee staff will have 55 gallon barrel fire pits available. 5 gallon bucket of water is to be adjacent to the fire and fires are not to be left unattended. Units are instructed NOT to bring firewood from their homes. Do NOT cut any live trees, plants, etc.. **All traces of your fire must be removed according to Leave No Trace standards, including removal of ashes and charcoal.** The Camporee will have an ashes and charcoal general collection container adjacent to the recycling area.

There will also be a camp-wide campfire on Saturday night. Cooking or lighting with open flames of any kind is not allowed in any tent. Electric battery lanterns and flashlights are recommended.

Water

Drinking water will be available in a water buffalo. Containers will be needed to carry water to the campsites. No dish washing, bathing, or hand washing will be allowed at these faucets. Please do not waste water. Each Scout should come to Camporee with a water bottle and carry it during the Saturday activity sessions.

Grey Water

Grey water should be disposed of appropriately at the designated grey water disposal station. Please remember the only biodegradable soap is permitted. A grey water disposal location will be designated upon your arrival & at the leader's meeting.

Trash

Pack it in – pack it out! Please bring sealable garbage bags for disposal of your trash and garbage. Everyone must haul out their own trash and garbage on Sunday; however, the Camp Staff will collect the following recyclable items: plastic bottles, aluminum cans, glass bottles, and metal cans in lieu of making them trash.

Please leave the area cleaner than you found it.

Knives & Axes

Sheath knives and knives with blades longer than 3.5 inches are not allowed at Camporee. Blades under 3.5 inches need to have a locking mechanism or a fixed blade. No switchblades or butterfly or mechanical knives. If any are found, they will be held for the remainder of Camporee by a member of the staff. Axes may be used by adults, only if an axe yard is set up and properly marked off by the unit.

Alcohol, Drugs, & Profanity

The Camporee Staff fully supports the policy of the Boy Scouts of America concerning the use of alcoholic beverages, drugs, or other mind-altering substances. It is, therefore, the policy of the Camporee Staff that there shall be NO alcoholic beverages (except those used for religious sacrament), drugs, or other controlled substances (including smoking) present at or consumed during Camporee. Failure to comply with this policy will result in the individuals and their unit being asked to leave Camp. Likewise, profane language or gestures by youth or adults will not be tolerated.

Firearms

For safety reasons, firearms, pellet guns, BB guns, bow and arrows, or slingshots of any kind are not allowed at Camporee.

Fireworks

Absolutely NO fireworks are permitted.

Personal Pets

No personal pets are permitted at Camporee, except those used as guide animals for the blind or other service animals for campers with disabilities.

2020 Middle TN Council 100th Anniversary Camporee Leader's Guide

Boxwell Reservation

"Viking Warrior Challenge"

May 1-3, 2020
