

Beaver Day 2019

Boxwell Reservation

April 6 and May 4

8:30 AM to 4:00 PM

(Or any amount of time you can give)

A patch is awarded to each Beaver Day Volunteer (Scout, adult, parent, or friend) who contributes a minimum of six hours of sweat/work.

Beaver Day is designed for Volunteers to help and give back to our camp, so that we can continue the legacy of the Middle Tennessee Council for our Scouters and Families at Boxwell Reservation. Boxwell is in need of all your help to get ready for Summer Camp, Spring Camporees, Cub n Families and more.

We are needing Volunteers of all ages and skills to give their time and knowledge back to Boxwell; to continue to provide a program for our youth and adults, and provide a stage to make everlasting memories in Scouting. Boxwell is still the Premier Scout Camp in the Southern Region and we need to continue that tradition.

Scouts and Volunteers will be doing many types of projects for camp (see below). Please feel free to bring your own equipment, tools, trailers, pressure washers and skills as we are limited in what we have to work with. We will provide the materials, lunch, and a patch for all. Wear some old clothing, bring gloves, sunscreen and a waterbottle.

Lunch will be provided for those who Register no later than 7 days before the Beaver Day.

Please pass this information along to others. We need your help to get camp back into shape. Boxwell is still the Premier Scout Camp in the Southern Region and we need to continue that legacy; as it takes a team. Let's continue to build and take pride in Boxwell Reservation. See you at Beaver Day!---Jason Flannery Middle Tennessee Council Camping Director
