MIDDLE TENNESSEE COUNCIL

WWW.MTCBSA.ORG

Boxwell Reservation is nestled in the heart of Middle Tennessee, 30 miles east of Nashville on Old Hickory Lake with 9 miles of shore line and rolling hills. This Reservation is unique and serves two separate camps, simultaneously Camp Stahlman and Camp Craig. At camp you will only need to bring your personal gear as we provide a canvas tent, cot, great food and an excellent staff to provide you a great program. Camp has a lot to offer; you will see deer, turkeys, hawks, listen to owls at night, go fishing, see pesky raccoons and even see a Bald Eagle. Scouts are able to spend time doing cycling, rifle shooting, shotgun shooting, tomahawk throwing, and more. Scouts can also play gaga ball, go rappelling, go down the zipline, fly a drone, see the stars and planets at our Star party and enjoy our amazing campfires. Camp has made a lot of changes in the past years as we look forward to providing your Scouts a great summer program at Boxwell Reservation. This years theme is "Olympic Games." Will your troop be awarded the Gold medal?
